

WATER RESOURCES RESEARCH GRANT PROPOSAL

Project ID: 2002SD8B

Title: Information Transfer

Project Type: Information Transfer

Focus Categories: None

Keywords: Information and education

Start Date: 03/01/2002

End Date: 03/28/2003

Federal Funds Requested: \$12,118

Non-Federal Matching Funds Requested: \$24,237

Congressional District: First

Principal Investigators:

Van Kelley
South Dakota State University

David R. German
South Dakota State University

Abstract

Information transfer is an important area of emphasis of the South Dakota Water Resources Institute (SD WRI). It emanates from the philosophy that the Institute is ultimately responsible for providing assistance to the public that funds it. Consequently, information dissemination is emphasized and encouraged, as an integral part of all program efforts. Information transfer at the SD WRI includes activities in public outreach, interaction with State and Federal agencies, youth education, and Institute publications.
